

# MURRIETA VALLEY BAND AND COLOR GUARD

## Voluntary Pledge Commitment Agreement

In order to continue to provide the highest quality music education experience for your student, the Murrieta Valley High School Band and Color Guard is asking for your pledge of support. To maintain the program at the level our community has come to expect, for the 2017/2018 school year, we are asking for your voluntary donations.

In accordance with California State Law, California Education Code, and the policies of the Murrieta Valley Unified School District, we understand the following:

1. My student will have full access to all school sponsored classes and activities
2. My student will not be denied participation based upon our ability to donate
3. My student's grade or course placement is not based upon our ability to donate

However, we completely understand that the range of experiences offered to my student is completely based upon not only our ability to donate the requested amount, but also based upon the donations of other families, donations from the community, and the ability of the Murrieta Valley Band and Color Guard Boosters to fundraise the funds necessary to provide for the needs of the program. If sufficient funds are not donated or fundraised, then the Instrumental Music Director, with the guidance of the Murrieta Valley High School and Murrieta Valley Unified School District Administration, will then have to determine what experiences can be offered.

I further understand that due to the nature of this being a "donation" to a IRS approved 501(c)3 non-profit organization, that I am not entitled to any refund whatsoever.
