

## CRIMSON CADETS SPONSORSHIP OPPORTUNITIES

The Murrieta Valley High School Band Boosters support the Band and Color Guard programs. We strive to give them opportunities to grow as musicians, students and successful members of society through a variety of experiences.

Having the support from the surrounding community is an integral part in investing in the future of these talented young individuals. We have several sponsorship opportunities available to help you promote your business while supporting our students. Sponsors at all levels will be listed on our website ([mvhsband.net](http://mvhsband.net)) and social media accounts.
