Section 1: Student Participation Consent & Media Release

Participation & Academic Acknowledgment

I, the undersigned parent/guardian, give permission for my student to participate in all **Principal-approved Instrumental Music Department activities** during the 2026–2027 school year, including rehearsals, performances, competitions, clinics, and related events.

I understand that performances are a **required and graded** component of Band and Color Guard courses. Grades are based on attendance, participation, preparation, and assessments. Performances serve as assessments of rehearsal material. Advance notice will typically be provided approximately two weeks in advance when possible; however, schedules may change due to circumstances beyond the program's control. Absences from required activities require **written notification in advance** in accordance with the course syllabus. Excused absences may still result in a loss of credit.

I understand that participation in band and color guard activities involves inherent risks, including travel and physical activity. I acknowledge and accept these risks and understand that additional safety, medical authorization, and liability information is provided in the Student Medical & Emergency Authorization Form, which is required for participation.

Transportation Agreement

For activities requiring travel, I understand that my student is expected to **ride district-provided transportation** to and from events. Reasonable precautions will be taken to ensure student safety. If my student misses the group departure, I am responsible for arranging transportation to the designated location at my own expense. Students will only be released to a parent/guardian unless prior written authorization is provided at least one week in advance.

Image & Media Likeness Release

I grant permission for the Murrieta Valley High School Band & Color Guard Program and its affiliated booster organization to photograph, record, and use my student's image, likeness, and voice for **educational, promotional, and nonprofit purposes**, including websites, social media, print, and video. I understand these materials may be used without further notice and without compensation.

☐ **I do NOT give permission** for my student's image or likeness to be used (check only if denying consent).
